### *Personal Web-Viewing Gallery:*

Your images displayed on a password protected personal webpage. This webpage link can be given to your family and friends for them to view and purchase your wedding day images.

### *Soft cover Memory Albums:*

The perfect gift to show your Wedding Day memories. A thoughtful keepsake of your favorite images. The soft cover album has a die-cut window for showcasing your favorite image. Every image is retouched and displayed on high-quality paper 5.5" x 7.5" holds 30-50 images.

### *Low-res CD's:*

This CD collection showcases your wedding images. Viewable on your computer screen or played on your DVD and TV. This disk may also be used for email. Your images are retouched.

### *200 - 4x6 Prints:*

This collection contains 200 of your favorite images. All images are retouched.

### *Enlargements:*

A grouping of your selection. All prints are retouched.

### *Up Close and Personal Album:*

This is a refined, more sensitive interpretation of your day captured by accomplished artists. In this regard, we are exclusively offering our "Up Close and Personal" intimate photographic journey — a tribute showcasing only the Bride and Groom. These stunning Black and White images are ageless and timeless and are now presented in a storybook album... a regal depiction of this momentous day. We will elegantly design a 12x12 Up Close and Personal Storybook Album with 20 of your favorite selections.

### *Wedding Storybook Album:*

This light and elegant hardcover leather style will showcase your favorite wedding day photos. They make lasting memories. The original artist designed Storybook has a die-cut window on the front cover do show your favorite picture. Every image is retouched and displayed on high-quality paper 8.75" x 11.25" holds 70-90 images.

### *Hi-resolution DVD - Copyright-Free /Retouched Files:*

[Your Digital "Negatives"] You can reprint, enlarge, send, and share any of your favorite wedding images. Unlimited without restrictions. On DVD or multiple CD's.
